PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION

Assistant Commissioner for Patents,
Washington, D.C.

Sir:

A Notice of Abandonment was issued by the PTO on May 15, 2002 for the above-identified application. The Notice indicates that the "application is abandoned for failure to timely or properly reply to the Notice to File Missing Parts (Notice) mailed on 09/28/2000." The Notice further indicates that "no reply was received."

However, the referenced "Notice to File Missing Parts" was never received by applicants' representatives. In fact, it is noted that, on January 19, 2001, a Request for Issuance of Notice to File Missing Parts" was filed and, on January 30, 2002, a "Status Inquiry and Second Request for Issuance of Notice to File Missing Parts" was filed. Neither of these Requests was ever replied to by the U.S. PTO. Copies of the Requests and copies of PTO date-stamped postal receipt cards showing that the PTO in fact received these Requests on January 19, 2001 and January 30, 2002, respectively, are enclosed.

As noted above, the Notice to File Missing Parts was not received by the undersigned or the office of the undersigned. A search of the file jacket and docket records indicates that the Notice to File Missing Parts was not received. Enclosed are: (1) a copy of the central docket record for the office of the undersigned for the date two months from the indicated mail date of the Notice to File Missing Parts (i.e. the central docket record for the date of November 28, 2000); (2) a copy of the undersigned attorney's individual docket for the month of November, 2000); (3) a copy of the front of the file jacket for the above application showing no entry for a Notice to File Missing Parts; and (4) a copy of the Notice of Abandonment dated May 15, 2002.

Additionally enclosed is an executed Declaration and Power of Attorney for the above application, together with a PTO surcharge of \$130.00 for late filing of the executed Declaration.

In view of the above, pursuant to the Official Gazette Notice at 1156 O.G. 53 (November 16, 1993), and MPEP § 711.03(c) II, it is respectfully requested that the holding of abandonment for the above-identified application be withdrawn, and that the present application be restored to active status and acted upon in an expedited manner.

If any additional fees are required in connection with this communication, such fees can be charged to the Deposit Account No. 23-0975.

Respectfully submitted,

Jean-Francois DELMAS et al.
